

# Admissions Process

Undergraduate Admissions

Welcome to Al Akhawayn University's Admissions Page!

Start your journey towards a world-class education at Al Akhawayn University.

Discover our comprehensive admissions process and take the first step towards a rewarding academic experience.

## Step 1: Application Submission and Document Compilation

Thank you for considering Al Akhawayn University for your higher education journey. Our admissions process is designed to select talented and motivated individuals who will thrive in our academic community. Here's a step-by-step overview of the application process.

To begin, please ensure that you have the following documents ready for submission:

- Academic Transcripts: Please provide your academic transcripts for the past three years. These transcripts should reflect your academic performance and achievements during your secondary education.
- High School Diploma (if obtained): If you have already obtained your high school diploma (Baccalaureate), please include a copy of it along with your application. This will provide us with a comprehensive understanding of your educational background.
- Passport-sized Photo: Please attach a recent passport-sized photo of yourself to your application. This will help us identify you throughout the admission process.
- Copy of Identification: Include a clear copy of your national identification card or passport. This is necessary for verifying your identity and personal details.
- Letter of Motivation: Write a compelling letter of motivation detailing your reasons for applying to Al Akhawayn University. This should include your academic and career aspirations, as well as any relevant personal experiences or achievements that have shaped your desire to pursue higher education.
- Application Processing Fee: Along with your application, kindly submit the processing fee of 500 MAD (Moroccan Dirhams). This fee covers the administrative costs associated with reviewing your application.

Once you have gathered all the required documents, please proceed to the online application form for pre-registration and document upload. To access the online application form, please visit <https://https://info.aui.ma/applynow>

On the website, locate and click on the link titled "Online Application Form" or "Formulaire de Préinscription". You will be redirected to the online pre-registration form. Fill in all the sections of the form carefully with the required information, such as your personal details, academic background, and any other relevant information.

After completing all the sections of the form, you will need to upload the required documents. Ensure that your documents are scanned beforehand and ready for upload. The accepted file formats may vary, so please refer to the specific instructions provided on the online form.

Upload your academic transcripts for the past three years, a copy of your high school diploma (if already obtained), a passport-sized photo, a copy of your identification, and your letter of motivation.

Double-check all the information you have provided before submitting the form. Make sure all the mandatory sections are filled in, and your documents are correctly uploaded.

Once you are satisfied with your application, click on the "Submit" button to send your application.

After submitting your application, you will receive a confirmation email acknowledging receipt. This confirmation will indicate that your application has been successfully submitted and is being processed.

## Step 2: General Admission Test (GAT)

Upon successful completion of the application submission, candidates will be scheduled to take the General Admission Test (GAT) at Al Akhawayn University. The GAT is designed to assess critical thinking, problem-solving abilities, and analytical skills. It helps us gauge your readiness for the academic challenges that lie ahead. The test covers various subjects, including mathematics, verbal reasoning, and logical thinking. Our aim is to identify candidates who exhibit the intellectual capabilities necessary to excel in their chosen field of study.

## Step 3: Admission Interview

Following the successful completion of the General Admission Test (GAT), shortlisted applicants will be invited to participate in a comprehensive admission interview. This interview is a crucial step in the evaluation process, allowing us to gain a deeper understanding of your academic potential, personal qualities, and aspirations.

During the admission interview, conducted by experienced faculty members or admissions officers, you will have the opportunity to showcase your communication skills, express your motivation for pursuing higher education, and discuss any relevant experiences or achievements. It is also an ideal platform for you to ask questions and learn more about our academic programs, campus life, and student support services.

At Al Akhawayn University, we believe in a holistic approach to admissions, considering not only your academic achievements but also your personal attributes and potential contributions to our vibrant campus community. Our goal is to create a diverse and inclusive student body that will thrive in our dynamic academic environment.

Once the application, General Admission Test (GAT), and admission interview processes are completed, the Admissions Committee carefully evaluates each candidate's qualifications and potential. Based on a comprehensive assessment, final admission decisions are made, and successful applicants will receive an official offer of admission.

We understand that the admission process can be both exciting and challenging. Rest assured that our dedicated admissions team is here to support and guide you every step of the way. We encourage you to explore the resources provided on our website and contact us with any inquiries you may have.

Take the next step towards an exceptional educational journey at Al Akhawayn University. Apply today and unlock your potential for academic excellence and personal growth.

AUI aims to promote global perspectives, diversity, human solidarity, and tolerance, following the American university system with English as the language of instruction.
